

The Bangkok Metropolitan Administration has put up tents at Sanam Luang ceremonial ground on the side of the Pin Klao Bridge as the area for almshouses. Government agencies, private organizations, and members of the public wishing to set up almshouses in the area are advised to register in advance at the Joint Operations Unit at Sanam Luang, or the General Affairs Division at the Bangkok City Hall. Registration is open now. For more information, please call 02-224 2981. Food and drinks should not be distributed along the roadside, as the distribution will block the traffic flow and cause inconvenience to commuters. (17/10/2016)
